School Address: 225 W. South Street, Perryville, MO 63775  
School Office: (573) 547-6161 School Fax: (573) 547-8205  
School Hours: (M-F) 7:50 a.m. - 2:40 p.m.

Immanuel School's purpose is to provide a Christian education in an environment of Christian love. The Christian faith is taught in formal religious instruction and Christian beliefs are integrated into all areas of the curriculum. Immanuel School is accredited by NLSA, MO Chapter of the National Federation of Nonpublic School Accrediting Associations and recognized by Missouri Dept. of Elementary and Secondary Education as an accredited institution. Immanuel does not discriminate on the basis of sex, race, color, national or ethnic origin. It is a drug-free, smoke-free campus.

Scripture teaches that parents are the real teachers of their children. It is our privilege as faculty and staff to reinforce the parents in fulfilling that responsibility.

Perry County School District No. 32 is located in Southeast Missouri about 80 miles south of St. Louis along Interstate 55. Perry County is flanked by the Mississippi River on the east and Missouri's eastern Ozarks on the west.

The campus, which includes an elementary school, middle school, high school, area career center and early childhood center, covers 116 acres in Perryville, Missouri.

Both the area career center and the high school are fully accredited by Missouri's Department of Elementary and Secondary Education. It has been the policy of the Board of Education to consider the requirements of this accreditation association as minimum standards and to aim for a higher degree of excellence than required.

It is hoped that learners from kindergarten through twelfth grade may achieve maximum self-realization through opportunities offered by the district's program of studies. The district endorses this goal by its well-defined curricula.

### Mission Statement

Guided by the teachings of Jesus Christ and as modeled in the life of St. Vincent de Paul, our mission is to assist the parents in the education of their children. This will be done by building a foundation of Catholic faith, love, respect, Christian ministry and community.

### Philosophy of St. Vincent Elementary School

We, the Catholic Education Community of St. Vincent de Paul Parish, believe that we are a collaborative commitment of parents, students, teachers and parish to Catholic education. We believe this can be done by forming a **COMMUNITY** of faith, proclaiming the **MESSAGE** of Jesus by reaching out in **SERVICE** to others.

In forming a community of faith, we are sensitive to the varied gifts, limitations, and backgrounds of students in all areas of development....spiritual, emotional, intellectual, social, cultural and physical. The staff provides formal as well as informal learning opportunities which allow students to experience the process of making responsible, loving choices...and of living with the consequences of those choices.

It is in reverent prayer, especially through the sacraments, that we find the desire and strength to reach out to others in service. In such reaching out, we maintain an awareness of our rootedness in the parish, diocesan and global communities. We encourage a sense of bonding on all levels, especially among-students to students, and students to staff.

Strong, open lines of communication foster personal involvement, cooperation and commitment. Such an atmosphere in the home, school and parish provides an environment in which enjoyable, exciting learning can be experienced in all settings.

With love shown to the poor by St. Vincent de Paul, we make a Catholic education available to all children in our parish and neighboring parishes.

St. Vincent Elementary School will achieve this Mission and Philosophy by:

- A. Providing a well planned religion program giving understanding to our Catholic Faith

- B. Creating a warm, accepting and safe environment in which each person feels comfortable to grow in his/her relationship to Jesus
- C. Providing opportunities for each member to discover and share his/her own unique gifts as a child of God
- D. Improving and maintaining standards of academic excellence in all areas of intellectual development
- E. Fostering an atmosphere which promotes responsibility for his/her own actions

### **Mission Statement**

The mission of St. Vincent High School is to educate each person in body, soul, and mind. We commit ourselves to foster: Christian service, knowledge, skills for the future, multi-cultural awareness and appreciation, and discipleship guided by the ideals of St. Vincent de Paul.

### **Vision Statement**

The community of St. Vincent High School is committed to the human and spiritual formation of all students. Students will understand the importance of life-long learning, thinking, and reasoning. St. Vincent students will continue to have high standards for themselves and others. Through participation in the sacraments and Christian Service, the students will gain a strong devotion to Jesus' call to spread his love, mercy, and healing to others.

### **Statements of Beliefs**

- Students learn best when they are actively engaged in the learning process.
- A successful student creates and uses a variety of thinking and reasoning strategies.
- Students learn best when our staff maintains high expectations for learning.
- A student's performance is enhanced by mutual respect among students and staff.
- All students need to perform Christian service.
- Students learn best about their Catholic faith when participating in the sacraments.

General Education and University Studies courses are currently being offered at the Perryville Higher Education Center (PHEC). At PHEC, “you’re closer to your degree than you think.” We offer courses through [Mineral Area College](#) and [Southeast Missouri State University](#).

Why you should make the PHEC your next step. We are:

**Convenient.** Classes fit in with your busy schedule – morning, afternoon or evening. Courses are offered during the fall, spring and summer semesters.

**Close to Home.** We are located on the beautiful campus of the St. Marys of the Barrens in Perryville, Mo., minutes from Interstate 55.

**Comfortable.** Most instructors are local people you know. With an average class size of 20 students, instructors are able to provide a supportive learning environment. Fellow students may be your neighbors, friends or co-workers.

If you are uncertain about what college courses to take or what degree to pursue, we are here to help. If your goal is to get a promotion, pursue a new career, or just to feel good about what you can accomplish, the Perryville Higher Education Center is “your next step.”
