~TLC Day Care/Pre-school is a licensed family home governed by state, county, and city regulations. I have operated this business in the basement of our home caring for 10 children over 30 years. Our goal is to care for these children in a **loving** home environment. We have over 2 acres which gives the children lots of space for outdoor activities.

~We are open Monday through Friday 52 weeks a year closing only for major holidays.
